We are a welcoming community of baptized disciples.

Through our Liturgy, Sacraments, Faith Formation, and Pastoral Care, we dedicate ourselves to being:

- *a Sacramental Community united in God's love*
- *a Community of Faith which shares in the teaching mission of Christ*
- *a Community of Stewardship of time, talent, and treasure serving people most in need*
- *a Community called to witness and proclaim the Good News through the power of the Holy Spirit*

God bless you!

We have had the delightful opportunity this past week to experience some wonderful days of sunshine and beautiful blue skies. Something like this can be so refreshing and exhilarating! Even the briefest walk outside refreshes the spirit and gives a lilt to one's day.

Refreshing things continue to happen here in our community of Sacred Heart and one of these is the continuation of our food/lunch program which is about to begin anew. Last Wednesday evening the new board of directors for this Sacred Heart Sponsored program met and initiated plans to begin again providing food for the body and soul of so many less fortunate but most deserving folks. The reopening date is February 21st. Please do continue to pray for the success of this special program and pray especially too for the wonderful leaders and volunteers assembled to help make it happen!

And another success and refreshing happening is our Bereavement Support Group. Eleven are regularly attending and benefiting from the Holy Spirit and each other's spirit as we accompany one another on this journey of acceptance, hope, and celebration of new days. We are no longer taking new members but if you think you would like to participate in the future, we will again be assembling a group later on after Easter. We too would appreciate your continued prayers!

Our Seniors Group also continues. We are getting ready to sponsor a Soup Meal after the noon liturgy each Wednesday. This will continue to be offered, like last year, on Friday evening and after the Station of the Cross. Wednesday's noon event gives still more parishioners and guests of Sacred Heart an opportunity to share in this Lenten Devotion and Meal – the daytime offering being more convenient for them. I am looking forward to sharing prayer and soup with them.

This Sunday's gospel speaks the story of a leper coming to Jesus and begging: "If you wish you can make me clean." It is, of course, Jesus' wish to do this and the life of this leper is changed forever. Each one of us has the opportunity to say "yes, I do wish" when someone approaches for a bit of help, time, advice, comfort, or forgiveness. It is within our power to make a difference in the life of that person.

May we all continue to be generous in ways that regenerate and refresh; in ways that bring sunshine and hope in another's life. Thank you for all you offer and for the blessings you are! May God bless you back in all the ways you need and deserve!
