Dear Parishioners and Friends of Sacred Heart,

Thank God if we are safe from the wretched snow storm. Pray for any and all who have been negatively affected by the recent change of weather. For safety reasons from driving and walking hazards, our parish had to cancel daily Masses and Confessions on Wednesday and Thursday. Yet, on behalf of the entire parish and for the day's Mass intention, I continued to celebrate Masses in our Redemptorist chapel, by myself.

In a sense, hazardous weather and other similar calamities subtly remind us of how much and how constant we are at the mercy of Mother Nature. Without God's providence/protection at all times, we are at great risk, not just physically. Our life – here on this earth and beyond – can never be taken for granted! It is purely God's gift. We are simply stewards of this awesome gift, in whatever color or shape this gift might come to us.

On the gift of earthly life, this very day 39 years ago (January 22, 1973), our country tragically legalized the taking of innocent human life through abortion. Since then, over fifty (50) millions children have lost their lives through abortion. "Real" reasons which led people to abort their children were numerous and complex. That said, we individually and collectively as a human family, certainly as a community of faith, must serve and protect all gifts of life, beginning with the unborn.

Our Sacred Heart parish, in connection with the Archdiocese, wants to help. If you know someone facing an "unplanned" pregnancy, please help them to contact Gabriel Project Pregnancy Hotline at **888-926-ANGEL (2643)**. **For someone dealing with post-abortion issues, please contact Valerie Jacobs at (800) 822-HOPE or in Spanish: (206) 450-7814.** All shared information is strictly confidential!

Let us continue be thankful for God's protection from all calamities, and God's guidance in serving life.

With love of Christ the Redeemer,

Fr. Binh Ta, C.Ss.R.

Dear Baby,

by Mallory Page Lowe

Although I cannot see you,
I still know you are there.
You are warm and snug inside me,
and require gentle care.

Although I cannot hold you,
or give you a hug goodnight.
I feel you move inside me
and know that you are alright.

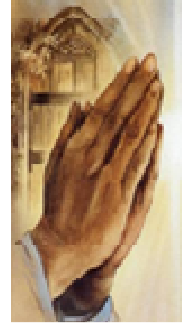

Although I cannot kiss you,
or show you how I feel.
I know you share my feelings
and that our bond is real.

.....you are with me all the time
and always on my mind.

Already I have fallen in love
with my precious gift from up above.
