Dear Parishioners and Friends of Sacred Heart,

A mutually trusting and nurturing relationship – one that is internally transforming, outwardly life-giving, time enduring, etc. – is a natural human longing. We hope and live for such a healthy relationship with one another and, from today's rich readings, certainly with God. The latter kind of relationship has another name, called prayer. Praying or being in relationship with God, who is the source of life, is as human and necessary as breathing, eating, loving for a healthy life. "Praying purifies. Praying strengthens us in our weakness. Praying removes fears, increases energy, and gives a second wind. Praying molds us to be more like God's and helps us to live "what is humanly impossible" – reaching out and loving as God has loved!

A genius gift of our Catholic faith is that we pray not just for the living, but also for and with deceased people. On the Feast of All Souls – Saturday, November 2<sup>nd</sup> – we will hold a special Mass to remember our departed parents, grandparents, relatives, friends, former parishioners, etc. As we pray for them, trust that they remember us as well. As connected on earth, we still are today, and hopefully in the life to come. All Souls Day Remembrance envelopes are available in the vestibule.

Please take note of several important events in this bulletin. Plan your calendar and join in.

With love in Christ the Redeemer,  
Fr. Binh Ta, C.Ss.R.

Mark, praising God for their service here at Sacred Heart Parish. A simple note, a smile, or a phone call to one or both will assure them of your loving care and gratitude for their presence in our parish.
