**Wisdom!** Please, God, give me the gift of wisdom! King Solomon asks for this in today's 1<sup>st</sup> reading – to think, say, do the right thing! There are several inserts in our parish bulletin that deserve your attention and response. Please do read them!

One is *Immigration Reform: Seeking Truth in Charity* - The Catholic Bishops of Washington State are advocating for an immigration reform, bringing about a reasonable, humane and comprehensive solution to this broken system. The second insert is entitled *Build Hope* and it speaks to a beautiful opportunity to share in the second collection for next weekend – your gift being an investment in the dignity of people living in poverty and providing all of us with opportunities to learn more about poverty, meet those affected by it, and respond in faith.

This past Sunday, our *Pope Francis* delivered a very special message to the entire world about what is happening in Syria and the dramatic developments which are looming: “Today, dear brothers and sisters, I wish to make add my voice to the cry which rises up with increasing anguish from every part of the world, from every people, from the heart of each person, from the one great family which is humanity: it is the cry for peace! It is a cry which declares with force: we want a peaceful world, we want to be men and women of peace, and we want in our society, torn apart by divisions and conflict, that peace break out! War never again! Never again war! Peace is a precious gift, which must be promoted and protected!”

Pope Francis goes on to say that we should follow the path of encounter and negotiation, overcoming conflict, and promoting clear proposals for peace based on dialogue and negotiations for the good of Syria and all nations.

“All men and women of good will are bound by the task of pursuing peace. I make a forceful and urgent call to the entire Catholic Church, and also to every Christian of other confessions, as well as to followers of every religion and to those brothers and sisters who do not believe: peace is a good which overcomes every barrier, because it belongs all of humanity!

I repeat forcefully: it is neither a culture of confrontation nor a culture of conflict which builds harmony within and between peoples, but rather a culture of encounter and a culture of dialogue; this is the only way to peace.”

Saturday September 7<sup>th</sup> was declared “a day of fasting and prayer for peace” in Syria, the Middle East, and throughout the world; and the Pope invited every one of all faiths and all men and women of good will to participate. If you received this news late, join the rest of us and dedicate a day this week for such “fasting and prayer for peace.”

I am reminded of a popular prayer: “God, grant me the serenity to accept the things I cannot change; the courage to change the things I can; and the wisdom to know the difference.” Let’s make a difference! God bless you!

Father Mark
