News From the Sacred Heart Shelter

Newsletter November 2011

I have always thought of Christmas time, when it has come round, as a good time; a kind, forgiving, charitable time; the only time I know of, in the long calendar of the year, when men and women seem by one consent to open their shut-up hearts freely, and to think of people below them as if they really were fellow passengers to the grave, and not another race of creatures bound on other journeys.

~Charles Dickens

I love the holiday season and the great spirit of peace, love and joy it manifests in humanity. The spirit of the holiday season is truly a magical thing, uniting unlikely friends and freeing the hearts of man.

Enclosed in this newsletter is a holiday wish list and two gift envelopes. Please consider making a

monetary donation to the Sacred Heart Shelter this holiday season to help us in our year round efforts to improve the lives of those we serve. Our need for funds during

these difficult economic times has never been greater.

Generous donations that are made during the holiday season help to fund our shelter all year round. Your gift during the holiday season or a monthly pledge will ensure that those that are experiencing homelessness find hope, peace, safety and the resources for new beginnings even if their NEW YEAR begins in June or July when they move their family into a home.

May the peace and joy of the holiday season live strong in your heart!

Happy Holidays to you from the staff, volunteers and residents of the Sacred Heart Shelter!
